

Avadh vanpariya

Front End Developer

ABOUT

Self-driven and skilled Front-End Developer with over 2+ years of real-world experience building responsive websites, admin panels, and e-commerce solutions. Adept in React.js, WordPress, Shopify, and web hosting. A fast learner who adapts quickly and takes initiative to learn by doing

PROFESSIONAL EXPERIENCE

GOMZI CONSULTING SERVICES (Marketing & Digital Services Agency)

April 2023 - Oct 2024

Front End Developer

- Developed dynamic, responsive websites using React JS, HTML, CSS, and JavaScript. Deployed and managed sites on Hostinger, GoDaddy, and Cloudflare, handling DNS and domains. Designed custom CRM admin interfaces and built Shopify and WordPress stores to optimize performance and user engagement.

Freelance Front End Developer

Nov 2024

- Created a landing page for a startup using HTML, CSS, Bootstrap, and JavaScript, ensuring responsiveness and modern design.
- Contributed to an ongoing admin panel project using React.js, Tailwind CSS, Next.js, and TypeScript, enhancing functionality and UI/UX.
